

Report of the Clubs Representative to SSMU Legislative Council

March 24, 2021

Clubs Updates:

- Clubs are resuming in-person activities
 - Many thanks to the VPs and SSMU staff involved in supporting in-person events!
 - University Centre is starting to liven up again
 - Lots of elections going on at the moment
- Overall, really glad to see student life and clubs back in action

Clubs Representative Updates:

- April will be spent improving the position and experience for future years
 - Provide a comprehensive exit report
 - Compiling some future goals/projects for the next rep to consider
- Feels like the position is not fulfilling its purpose
 - Some link is missing from the rep to the clubs and to SSMU
 - Looking into more formalized meetings/events to allow for discourse
 - Club consultations will be done—but difficult to contact clubs
 -
