# Environment Committee Legislative Council Report

1. Expanded to have about 10 members on a rolling basis
2. Hosting weekly meetings with consistent turnout from core members
3. Recruited for Executive membership
4. Maintaining relationships with on- and off-campus sustainability groups and keeping up-to-date with events and opportunities available to students.
5. Hosted an educational online workshop about textile sustainability, patching, sewing repairs, and fast fashion.
6. Currently planning a clothing swap and repair cafe with MOOS' SPF ambassadors
7. Planning an end-of-year potluck for SSMU Env Committee members at Campus Crops to mark the opening of the garden for the summer season
8. Thinking ahead of what next year will look like
