

## **SUS Representative Council Report**

*Legislative Council of the Students' Society of McGill University*

*February 02, 2022*

### **Approved Motions:**

- Motion re: Amending the Electoral and Referendum Bylaws
- Motion to Approve the Winter 2022 SUS Election Calendar
- Motion to Mandate SSMU Representatives to vote NO on the upcoming SSMU "motion regarding amendment on the moratorium on ancillary fees 2022-02-17".

### **President**

- MoA is scheduled to be signed by Deputy Provost Labeau this week
- Meeting OSE x SUS to discuss plans for the semester
- Further plans to update the Senator's Strategic Plan for Academic Wellness
- On March 15th, the Office of Science Education will host the Undergraduate Poster Showcase - a virtual event to celebrate undergraduate science research, projects, or assignments. All types of work are welcome, whether it's research conducted in a lab, a personal passion project, work done through an award, or more! First-timers and seasoned presenters alike are invited, there will be workshops available for participants to refine and master their presentation and poster development skills. The deadline to register is February 21, 2022.

- Planning for discussions about burnside renovations

### **VP Academic**

- NTCs: Many people across the university are worried about OSD-registered students not having free access to notes anymore since OSD does not pay writers anymore. MBSU has generously offered theirs for free to OSD last year. All departments are recommended to follow MBSU's footsteps and offer their NTCs for free to OSD if financially viable.
