McGill Board of Governors/Conseil des gouverneurs de McGill

- Since 2011, Board-Student forums have been organized in the spirit of engaging in dialogue on matters of interest to both the Board of Governors and Students. The event will give students a chance to learn about the work of the Board of Governors and its Standing Committees and provide Board members with an opportunity to learn about initiatives led by student associations and groups from all around campus. The date, time and venue are not confirmed, as we are trying to gauge interest.
- **For students/student groups who are interested in presenting at this event, please feel free to contact me.**
