The current fee allocation for Queer McGill was made in Winter of 2020 and Fall of 2021 for The Eating Disorder Centre , just before the initial shutdown caused by the COVID-19 pandemic.

Since then, Queer McGill has continually expanded its event offerings and resource co-op. The increased spending on events and resources has inspired increased demand on such services, which now well exceeds what was observed before Winter 2020.

Similarly, The Eating Disorder Centre has expanded their operations to deal with an increased need and demand for their service from the student body.

These expanded operations were made possible by budget surpluses which accumulated during the first year of the COVID-19 shutdown. These efforts had the added benefit of gradually eliminating the carry-over surplus, as recommended by the 2021 Investigation into the SSMU's Student Fee Policies (I.S.S.Fee.P.).

As the existing surplus is expected to be exhausted over the coming months, additional funding is required to continue expanding these services to meet growing student demands.

To ensure that this increase does not create unreasonable surpluses, the QM Coordinating Committee and Eating Disorder Centre have taken steps to prepare appropriate uses for the additional funding (see Impact of Decision and Next Steps).

# Alignment with Mission

This motion is presented in accordance with the SSMU's constitutional mandate to support student groups of the McGill community and provide services to strengthen the educational, cultural, environmental, political, and social conditions of its Members. The proposed increase to the Referral Services Fee would allow Queer McGill and The Eating Disorder Centre to continue to provide excellence and quality of service at all times, and to enhance the quality and scope of these services, in further alignment with the SSMU's constitutional mandate.

# Consultations Completed

This motion is the product of consultations between the Queer McGill Coordinating Committee and the Eating Disorder Centre and the SSMU Vice-President (Finance), Vice-President (Student Life), and Services Finance Coordinator.

The Fee amount presented was calculated based on budgetary calculations made by the Queer McGill Finance Coordinator and the Eating Disorder Centre Finance Coordinator.

# Risk Factors and Resource Implications

Should the proposed increase of the Referral Services Fee fail to pass, Queer McGill and EDC will have no choice but to reduce spending on its resources co-operative and activities, preventing the full provision of services to members. As Queer McGill's co-operative is already limited in stock, a reduction in spending would prevent students from accessing gender-affirming and sexual health resources. It would also lead to a reduction in services available for individuals suffering from eating disorders.

# Sustainability Considerations

This motion is presented in alignment with the SSMU's mandates to promote a strong, safe, and empowering community, to minimize socioeconomic barriers, and to be of service to communities, student groups, and initiatives that address social sustainability, as outlined in the Sustainability Policy.

# Impact of Decision and Next Steps

Should this motion and the subsequent referendum question be adopted, the revised Referral Service Fee allocation would be as follows:

Referral Service	Previous	Revised	
Eating Disorder Resource & Support Centre	\$1.30	\$2.06	
Nightline	\$1.15	\$1.15	
Peer-Support Centre	\$0.62	\$0.62	
Queer McGill	\$1.10	\$1.45	
Union for Gender Empowerment	\$0.75	\$0.75	
Total:	\$4.92	\$6.03	

The \$0.35 increase to Queer McGill's allocation would yield approximately \$17,387.44 in additional revenue. This amount was calculated to close an

existing \$8,963.93 gap in the projected budget of Queer McGill. This would grant the long term financial stability needed for continued expansion, without introducing an unreasonable surplus.

Such expanded activities may include, but are not limited to:

- Redesigning the Queer McGill website, with new functions and and improved accessibility;
- Expanding pay-what-you-want merchandise offered by the Queer McGill Resource Co-Op;
- Collaborating with new community groups on in-person event programing;
- Raising discretionary funding allocations and increasing promotion of the fund; and
- Engaging in increased political activities and adding capacity for long-term campaigns.

The \$0.76 increase to Eating Disorder Centre's allocation would yield approximately \$34,084.52 in additional revenue. This amount will allow the service to increase its level of service and amount of employees and outreach to meet the increased demand.

Such expanded activities may include, but are not limited to:

- Hiring a French Translator to translate all our offerings in compliance with Bill 96;
- Support the recruitment, onboarding and administrative training and assistance of staff;
- Properly support and communicate with support volunteers;
- Appropriately provide accommodations at public events and through services (ASL interpreters, earplugs, fidget toys, etc);
- Maintain SSMU Requirements, financial sustainability, and accommodation requests from users, members, and coordinators;
- Increase the amount of users on the Peer-to-Peer Connections platform and provide community specific support groups for eating disorders; and
- Secure funding for the annual Eating Disorder Awareness Week Conference.
