Constituent Feedback

Verbal feedback received from surveying tables at Winter Activities Night:

- Confusion over processes at SSMU despite workshops
- Steady exec/membership recovery after COVID
- Email communication with SSMU slower than expected
- Some issues figuring out finances and use of bank account
- Some clubs did not know about available funding

Overall, clubs were grateful for SSMU resources, but often did not know how to use them effectively

Action Plan

- Make a How -to/FAQ document for Clubs to refer to
 - Resources are available, most people just don't look for them
- Continue to support the efforts of SSMU employees
 - VPs SL and Finance, Clubs Coord, Clubs Finance Coord, etc.
- Help clubs with individual requests and direct them to the right resources
