Issue
This motion seeks to adopt the Standing Rules for the 2023-2024 Students’ Society of McGill University (SSMU) Legislative Council.

Background and Rationale
While the Robert’s Rules of Order provides a general framework for formal, efficient group meetings by balancing the rights of members while facilitating democratic debate and decision-making, the Standing Rules are mechanisms by which Robert’s Rules of Order can be fine-tuned for any given group, such as the Students’ Society of McGill University (“the Society”) Legislative Council.

Alignment with Mission
Aligned with SSMU’s Constitution and Internal Regulations following parliamentary procedures that have been simplified to the SSMU.

Consultations Completed
This motion was drafted in consultation with the Speaker, Parliamentarian, Deputy Speaker, Governance Manager, and the SSMU President.
Risk Factors and Resource Implications

In order to adequately operate during Legislative Council meetings, the adoption of the Standing Rules will ensure a smooth meeting flow and include deadlines for submission of motions and reports.

Sustainability Considerations

In drafting this motion, we took into consideration the year-long operations and regular governance meetings in the goal of being efficient and respectful of Council members, staff and guests.

Impact of Decision and Next Steps

Should this motion be approved, the Standing Rules will be adopted immediately in parliamentary procedure concerning the Legislative Council.

Should this motion fail, the meetings of the Legislative Council will lack decorum and proper parliamentary procedures.

Motion or Resolution for Approval

*Be it resolved,* that the Society’s Legislative Council 2022-2023 adopt the Standing Rules in Appendix A to maximize the efficiency of Council meetings.

*Be it further resolved,* that the Legislative Council recommend the ratification of these Standing Rules to the SSMU Board of Directors at their next regularly scheduled meeting.
