Issue Each year, the Legislative Council must nominate at least 1 Councillor to each of its committees. The allocations are included in Appendix A.

Background and Rationale There are several Committees of the Students' Society of McGill University ("the SSMU") Legislative Council that require Councillors to be appointed to fill existing vacancies. The original motion was passed at the Legislative Council meeting on the 28th of September, 2023. Since then, several councillors have joined the Legislative Council.

Alignment with Mission As per the Policy on Effective Committees, "at least [one] 1 SSMU Councillor" shall sit on a committee.

Consultations Completed Consultations completed with Governance Manager, Speaker, Deputy Speaker, and Parliamentarian.

Risk Factors and Resource Implications

Should a Committee member not be able to attend the committee they were nominated to attend, a new member will be nominated to sit on said committee.

Sustainability Considerations

To ensure the sustainability of SSMU's operations, it is important that each Committee is well-represented by the undergraduate community.

Impact of Decision and Next Steps

The Speaker and Deputy Speaker will coordinate with the Committee Chairs to let them know the contact information of the new members of each committee allocation respectively.

Motion or Resolution for Approval

Be it resolved that, the Legislative Council approve the Committee Allocations set in Appendix A, and recommend the ratification of these selections to the SSMU Board of Directors at their next regularly scheduled meeting.
