COMMITTEE ACTIVITY

- Food security
 - Have been meeting bi-weekly with Let's Eat McGill
 - Met with Concordia Food Coalition yesterday
 - Have created university-wide survey on this issue. Please complete and share widely!
→ <https://blocksurvey.io/ssmu-mcgill-campus-food-survey-LgypD2tbTi2qMMKp0J0oHw?v=o>
 - Has been shared with MAUT, PGSS, SSMU, ADSEM
- Questions submitted to Senate (next one on November 15th)
 - Unmarked grave investigation at the New Vic
 - Question was “deferred” due to “ongoing court case”, lack of transparency on this issue still a concern
 - Palestine/Israel, inquiring about consultation process related to mass emails sent out, consequences of these emails and apparent one-sidedness of the emails
 - Question was accepted
 - Other issues on this topic brought up were anonymity concerns with reporting violence, faculty of med and arts creating their own informal channels so people have an anonymous/non-McGill affiliated place to share
- Tuition hikes
 - Will ask question at the next senate about governmental negotiations

PROJECTS AND PROGRESS

- Food security
 - Planning to have a University-wide Summit to discuss food security solutions (still in planning)
 - Planning to write a motion for the creation of a senate committee on this issue→ will use data from survey to advocate to administration.
 - Working with SSMU, Let's Eat and other stakeholders to start to get funding for a Coalition→ will discuss details at our next meeting on the 17th of November
 - Will use data from survey
