# REPORT OF THE VICE-PRESIDENT (Operations and Sustainability)

Submitted for: 2024-01-18

*For 2023-11-23 to 2024-01-18*

- Incident protocol for Gerts
- First advisory council on sustainability at McGill
- Sustainable consumption and disposal working group mcgill
  - Work towards creating the new climate and sustainability strategy for the university
- Publicizing divest decision
  - Thoughts on moratorium on ancillary fees?
- Minicourses Fee Structure review
  - Operating at a small loss but should be breaking even
- Building closure 8TH-12TH
  - Reason for scaffolding but building remains fully open and operational
- Still working on IRs of S&O
  - Council to be consulted once first draft is more complete
- Lifeline tech possible renewal
  - Term comes to an end this month
- Insurance claims / insurance issues for student groups
  - SSMU and its groups' activities and coverage concerns
- Interviews for 2nd sustainability commissioner
  - Just completed
- Mid year space check ins
  - Most groups met with, may be able to allocate a new space to the next group on waitlist
  - Looking to create common area with appliances to reduce electrical issues from individual use
- Cultural nights revamp
  - Change in format to be centered around important holidays/celebrations
