Challenges Faced	<ul style="list-style-type: none"> ● Navigating the transition to a fully AUS run Fac-O for 2023-2024 has been a huge challenge as we essentially had to create a new, never-before-done event and structure ● Getting together a committee has been challenging, most SSPN members left SSPN as they were only interested in SSPN to organize Fac-O. There also seemed to be a decrease in interest to help organize events in general ● Reaching out to students and advertising our events has also been a challenge we are trying to fix
