

SUS Representative Council Report

Legislative Council of the Students' Society of McGill University

February 29, 2024

Portfolios

President

- SUS Gala occurred on February 16th 2024 - sold out, ~800 attendees.
- SUS General Assembly on March 13th 2024.
- SUS Elections underway.
- Planning for SUS Awards Night (SUSANs) in late March.
- Collaborating with the Faculty of Science in a large effort towards student recruitment and admissions for 2024.
- Burnside Basement renovations done. Faculty lounges are back.

VP Academic

- Resolving several academic complaints.
- Working to establish equitable NTC bursary programs that make them affordable for all science students.
- Upcoming Events:
 - Open Science Research Fair - Feb 26.
 - Underrepresented groups in science speaker panel - March.

VP Finance

- Integrated POS systems as main means of financial transactions.
- Finalizing details regarding centralization of departmental finances, such as cash sales, etc.
- SUS credit card up and running.
- Discussing the transition to Zeffy for online SUS shop purchases.
- SUS By-law amendments to allow more students to run for the position of VP finance. The previous qualifications requirements were stringent.

VP Internal

- Successfully Executed:
 - Science games - resounding success
- Currently Planning:
 - Grad Ball - April 5th
 - Tweety Ball - April 13th. Drag event partnering with local community
 - SIC Events
 - St. Patty's Crawl - March 16th
 - Karaoke and Pre - March 19th

- Plant Pot Painting Palooza
- For next year:
 - Planning bookings and holds for Frosh and Science Games 2024/25
 - Frosh: August 22-25. Coord and Leader applications underway as well.
 - Science Games; January 7-11

VP External

- Established 2 Club Reps positions and recruited them for this semester.
 - Sit on our General Council, speaking for and representing the SUS clubs.
- Planning a celebration for Burnside re-opening with Science Faculty and Staff.
- Sponsorship with Fellow Storage to help students with their belongings during moving season.

VP Sustainability

- Working with the Science Equity and Climate Committee on a project to collect information on room accessibility for events at McGill.
 - Objective is to provide a resource that will help those organizing events to choose a venue that minimizes barriers and maximizes access for participants. Although some room details are already available, there is currently no central source for all this information.
 - Looking for help to collect all the information regarding the accessibility of frequently-booked rooms at the Downtown McGill campus. If you used a room recently for your event, we would appreciate it if you took a couple of minutes to [fill out this short form](#) regarding the accessibility of that room.
- SUS Environment Committee: Trivia, Climate crisis panel.
- SUS Mental Health Committee: Wellness bingo, SUS animals on Instagram, snowman competition, yoga event, cookie decorating event, exam season care packages.
- Working with 17 rooms McGill to discuss SDGs.
- EDI Workshops in collaboration with Faculty of Science's Equity and Climate Committee.

Science Senator

- Student-led mini-courses: a proposal.
 - First semester spent planning and preparing the course under a professor's supervision
 - Second semester spent delivering the course, which students can take for 1 credit.
