REPORT OF THE EXTERNAL AFFAIRS COMMITTEE

Submitted for: 03-21-2024

MEMBERS ATTENDANCE

January 17, 2023 3PM-4PM

- Jacob Williams, EA Commissioner
- Liam Gaither, VP EA

COMMITTEE ACTIVITY

- No other attendees, January meeting canceled. Jacob and Liam discussed plans to reconfigure committee
- Committee was unsuccessful in getting sufficient attendees for future meetings

PROJECTS AND PROGRESS

- Discuss potential to reconfigure committee
 - Understand intent originally behind committee
 - Reach out to originator of committee, make plans to meet
 - Current committee is unattended because objectives are of little interest to potential attendees, objectives are too one sided: the committee functions to get feedback from the community on how to run EA but offers only 'accountability', something of little interest to potential attendees.
 - Consider a committee that functions primarily to facilitate EA meeting with community organizations on campus, especially new ones, to connect them with critical resources and especially those within SSMU which community organizations often find difficult to navigate. Providing feedback then can be another part of the committee, and attendees will have reasons to provide feedback, and will have more knowledge about the happenings of EA.
