Risk Factors and Resource Implications

Should a Committee member not be able to attend the committee they were nominated to attend; a new member will be nominated to sit on said committee.

Sustainability Considerations

To ensure the sustainability of SSMU's operations, it is important that each Committee is well-represented by the undergraduate community.

Impact of Decision and Next Steps

The Speaker, Deputy Speaker, and Parliamentarian as well as the Secretary-General, will coordinate with the Committee Chairs to provide them with the contact information of the new members of each committee allocation, respectively.
