MUS Legislative Council Report 2024

Legislative Council of the Students' Society of McGill University
October 03, 2024

Board of Directors

- U0/U1 Elections started
- Overall vision this year: getting more organized (resources, communication, working with all stakeholders)
- Policy changes finalized by end of week
- **POS system:** Daves store - Implementing tech updates for inventory (square)
 - upgrading to POS. All inventory is stored in there, data on expiration dates of products (wouldn't benefit 4 à 7)
- Fee increase
 - 30\$ -> 37.5\$: acts as a financial cushion(especially for events)
- Constitution: Is it a conflict of interest for a VP to hold any other position within the faculty? Should they be allowed to be an Executive Director?

VP SEDI

- Currently recruiting 2 sustainability analysts
- Sustainable Investments Pitch Competition
 - Initial talk with DSN, McGill Ventures, RPC and MIC about possible collaboration at the beginning of the semester → RPC, MIC & Ventures open to a discussion, DSN really into the project

VP Competitions

- Working on centralizing all comps portfolio and making everything more clear and streamlined.

- Updated comps checklist, clear deliverables and deadlines
 - Bi-weekly meetings with all comps, starting 10 weeks before - then 1 week before
 - Post-event meeting to do recap after comp, sustainability assessment, competition status update

VP Corporate Relations

- Internal sponsorships
 - Heavy outreach to encourage clubs to sponsor other clubs
- Many management and financial service firms have been acquired or sponsor MUS clubs. Notably EY, PWC and SAP have built sponsorships coordinated by the VP CR
- To improve competition marketing, VP CR and VP Comps have been collaborating towards a sponsorship package.

VP Events

- Frosh
 - Went very well on all fronts
 - Big profit
- Carnival:
 - It's scunting season
 - Struggling to find funds to finance the carnival. Venues are coming for their money
- 4a7
 - Going very well so far
 - Profits every week
 - There have been noise complaints in classes that were going on

VP Finance

- New Position: Controller
 - Responsible for proper recording of reimbursements and reconciliation of previous year's errors in Quickbooks.
- Preparing for the 2024-25 school year audit, aiming to minimize costs

VP Internal Team

- Clubs and Activities Night
 - Successfully organized, with a slight increase in attendance from last year.
- Hiring Update
 - Four positions filled; hiring two more positions to support future events.
- Events and Room Bookings
 - Mostly running smoothly with some initial delays. Stricter guidelines are being implemented to avoid booking conflicts.
- Corporate Tabling
 - Resolved initial issues with building management. Implementing new guidelines for clubs.
- Lockers
 - Locker form launched (\$5/semester).
- New Event
 - Planning to organize “Networking 101” events with Career Management in November and January/February.

VP Academic

- Events
 - “Meet Your Professor” event held on September 25th to foster networking between students and professors.
- MUS Tutoring Services
 - Paid tutor for core courses
 - Exploring peer tutoring services for non-core classes.
- Program Updates
 - The elusive Desautels curve is gone
 - PASL communications to students - draft explaining key takeaways from new McGill-wide grading policy

VP Communications

- Social Media
 - TikTok, Instagram and Listerv are ongoing and successful.
- Website
 - A new website is under development
- Merch
 - Improvements in progress.

VP Human Resources

- Updated recruitment policy with a new definition for *Conflict of Interest* to distinguish between personal and professional conflicts.
- Interview Grids
 - Submission deadline passed; quality of grids varied
 - May have a mandatory training for some clubs next semester
- Next Steps
