

Vice-President (Student Life)

Overview

- Portfolio
- Activities Night
- Student Groups
- Clubs
- Services
- Mental Health
- Miscellaneous

General Goals for the Year

- Transparency
- Restructuring so that SSMU can provide services to our student groups
- Better Advertisement of Student Groups
- Outreach to the Student Body on what SSMU actually does
- Acknowledge our Positionality on Turtle Island and specifically Tiohtià:ke (what is referred to as Montreal)
- Make SSMU represent it's Student Body

Office of the Vice-President Student Life

- Oversee over 300+ Clubs, Services and Independent Student
 Groups
 - Manage relationships between SSMU staff and these groups
 - Also responsible for conflict resolution (handling complaints)
- Carry out SSMU mental health initiatives
 - Work with the Mental Health Commissioner, Outreach Coordinator and Advocacy Coordinator, as well as the MH Outreach and Advocacy Committees

Activities Night

- Hired an Activities Night Coordinator '
- Worked with an amazing gorup of volunteers to pull off an amazing Activities Night
- Working to create an Activities Night Checklist to make it easier for the next executive
 - This will also allow for improvements to happen to the event instead of just stagnation with every executive transition

Student Groups

- Organized the Clubs Workshops and Services
 Summit
 - Looking to improve this structure so they are more effective in giving guidance to student groups
- Updating the Sanction Guidelines
- Creating a Shared Google Calendar
- Making Postering Easier within SSMU
- Updating the Clubs Lounge
- Updating the SSMU Website (organization of information from different departments)
- Updating signage in SSMU to advertise
 Student Groups
- Creating a Social Media Coordinator position to help with advertisement of student grousp to the student body

Clubs

- Club Workshop
- Updating the Club Handbook
- Restructuring the Clubs Committee
- Hired a new Clubs Coordinator

Services

- Monthly Meetings
- Updated the Services Hiring Process to comply with the recently signed Collective Agreement
- Giving after hours building access to Services
- Creation of a Printing Form
- Working on social media spotlights for services on Instagram

Mental Health

- Mental Health Committe is officially formed
- Working to update the goals of the committee to act as a source of information for students on campus
- Still planing out our general goals for the year

Miscellaneous

Organizing the Student Life Drive

Questions?
