

EdUS REPORT

SSMU Legislative Council

Submitted for: February 13, 2025

President

- Elections: Voting for the 2025-2026 EdUS elections occurred on February 7-9.
 - A large portion of our current council is graduating, so there were many vacant roles
 - We have elected a new president!
 - We have a few vacant positions that we are trying to figure out, but most of the key positions have been filled.

VP Internal

- The education grad ball has been booked for April 25th
 - Will be Edu, Phys. Ed, and Kinesiology.
- It has been brought to my attention that certain faculties have yet to pay back Education for their share of certain frosh expenditures
 - As well as the compounded interest as signed on a MoA/MoU by the Frosh IOC 2024 committee
 - The interest is now a part of the share that education is owed. Each faculty should be aware of that as their frosh coords signed documents about it!
 - Please bring this to your faculty council to make sure that the Frosh finances can be settled
- We will be having a St. Patrick's Day apartment crawl to raise money for Gradball

VP External

- We had the Education Career Fair on February 5th, and it was very successful
- Sock drive donations are still incoming, and we have gotten a lot of donations
 - Everything will be donated at the end of February
- The next place of proceeds for our charity events is currently being chosen

General

- VP Wellness and the Equity commissioners collaborated on a Lion Dance event on January 29th for the Lunar New Year.

- It was a pricey but an incredible event!
- We are hoping to continue this in the upcoming years
- It is a great example of an event that faculty's can host to show their students diversity
- Equity commissioners for next year have been interviewed and hired.
 - They had an onboarding meeting with the current equity commissioners on the weekend of February 7th
- We are carefully reviewing our constitution and updating it where necessary (its last official update was in 2018, pre covid)
- VP Academics are starting to redesign the position's portfolio with the elected VP academics for 2025-2026
