WHEREAS the Association represents the interests of its membership through its democratic processes, recognizing the supremacy of its General Assembly to enact or overturn all decisions made in its various governing bodies;

WHEREAS the University is committed to protecting the rights of the undergraduate student body as represented by the Association;

WHEREAS the University recognizes student groups as integral members of the University community;

WHEREAS the University and the Association wish to enter into a memorandum of agreement for a term beginning on June 1, 2024 and ending on May 31, 2029, respecting various matters including the assessment and collection of fees from students and the operation of University accounts for such fees and wish to enter into a new agreement, in replacement of the previous agreement;

WHEREAS a referendum of members of the Association approved the collection of fees for its operating expenses and the support of its activities;

WHEREAS, on the basis of said referendum, McGill University collects fees from regularly registered undergraduate McGill students which constitutes the members of the Association for said purposes;

WHEREAS Association was incorporated on April 22, 1999 by Letters Patent issued pursuant to Part III of the Companies Act (Quebec) **N.E.Q 1164473952**;

WHEREAS the University and the Association are committed to preserving their positive relationship and in preserving the particular nature of the student associations, and

NOW THEREFORE, THE PRESENT AGREEMENT WITNESSES:

1. COLLECTION OF ASSOCIATION FEES

- 1.1 The University shall collect in each of the fall and winter sessions during the term of the present Agreement all fees from students duly registered at the University and assessed by the Association, such fees (the "Association Fees") to be used by the Association for its operating expenses and the support of the Association. The University shall collect and remit to the Association the association fees for the Nursing Undergraduate Society (NUS), Physical and Occupational Therapy Undergraduate Association (POTUS), and the Social Work Students' Association (SWSA), formerly recognized by the University as independent students' associations and currently designated by the Associations as affiliated associations. The association fees for these three affiliated associations appear in **Appendix A** hereto and shall be remitted to the Association for the benefit of the affiliated associations.

1. NATURE ET ÉTENDUE DE L'ASSURANCE

Nous convenons de verser volontairement les indemnités indiquées aux présentes à votre **employé** ou en son nom en raison d'un **dommage corporel**, y compris le décès qui en résulte, subi accidentellement par cet **employé** et découlant de son emploi chez vous, que ce **dommage corporel** puisse ou non donner lieu à une responsabilité imposée par la loi à votre égard.

À condition, toutefois, que :

- a. Si l'**employé** blessé, ou toute personne qui réclame par l'intermédiaire de l'**employé** blessé ou sous sa direction, refuse d'accepter les indemnités d'indemnisation volontaire offertes en vertu des dispositions du paragraphe précédent, nous serons alors autorisés, en tout temps, à notre discrétion et sans préavis, à retirer cette offre de verser les indemnités, auquel cas nous ne serons plus liés par les engagements exprimés dans le paragraphe précédent. Si l'assuré fait l'objet d'une réclamation, d'une demande ou d'une poursuite en dommages-intérêts pour de telles blessures, cette réclamation, cette demande ou cette poursuite sera considérée comme un refus d'accepter les indemnités d'indemnisation volontaire et ce refus annulera entièrement notre engagement à verser ces indemnités d'indemnisation volontaire. Dans ce cas, notre obligation telle qu'elle est exprimée dans les autres parties de la police y faisant référence, sera à votre disposition et sera et restera notre obligation de manière aussi complète que si le présent avenant n'avait pas été souscrit.
- b. Les indemnités prévues aux présentes ne sont payables que si, au moment de l'accident, l'**employé** exerçait des fonctions entrant dans le cadre des activités mentionnées aux **Conditions particulières**.
- c. Une quittance complète de toutes les réclamations de cet **employé**, ou de toute personne réclamant par son intermédiaire ou sous sa direction, contre l'assuré soit signée et remise et que tous les droits de cet **employé** ou de cette personne contre toute personne autre que l'assuré nous soient subrogés et cédés en totalité (à l'exclusion de tous les services offerts en vertu de toute loi ou réglementation provinciale ou fédérale applicable en matière d'assurance maladie).
- d. Nous ne serons en aucun cas responsables en vertu des présentes pour toute réclamation découlant d'une hernie, quelle qu'en soit la cause.
- e. Nous ne serons en aucune circonstance responsable en vertu des présentes en ce qui concerne toute réclamation découlant d'une guerre, d'une invasion, d'un acte d'un ennemi étranger, d'hostilités (qu'une guerre soit déclarée ou non), d'une guerre civile, d'une rébellion, d'une révolution, d'une insurrection ou d'un pouvoir militaire.

2. DÉFINITIONS

- a. Aux fins du présent avenant uniquement, le mot **employé** exclut un **travailleur dont les services sont loués** ou un **travailleur temporaire**.
- b. L'expression **indemnité hebdomadaire** mentionnée dans le présent avenant désigne les deux tiers du salaire hebdomadaire de l'**employé** à la date de l'accident, mais ne peut en aucun cas dépasser la somme de 200 \$ par semaine.

Sauf stipulation contraire dans le présent avenant, toutes les modalités, conditions, limitations et exclusions de la police sont pleinement en vigueur.

3. TABLEAU DES INDEMNITÉS

En cas de décès résultant d'un tel « dommage corporel » dans une période de 26 semaines suivant la date de l'accident, nous paierons :

INDEPENDENT AUDITOR'S REPORT

To the Board of
Students' Society of McGill University

Qualified Opinion

We have audited the financial statements of Students' Society of McGill University (SSMU) (the Entity), which comprise the statement of financial position as at May 31, 2024, and the statements of operations and changes in fund balances and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at May 31, 2024, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, SSMU derives revenue from cash transactions the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our audit of these revenues was limited to the amounts recorded in the books of SSMU. Additionally, SSMU did not consolidate the accounts of SSMU Daycare Center Inc. / Centre de Garderie SSMU Inc., a not-for-profit organization, of which SSMU is deemed to have control over the operations and the deployment of its resources. Under Canadian accounting standards for not-for-profit organizations, SSMU should report the not-for-profit organization over which it has control by consolidating the controlled organization in its financial statements or by disclosing the total assets, total liabilities and net assets as at May 31, 2024 in addition to the revenues, expenses and cash flows for the year then ended. Therefore, we were not able to determine whether any adjustments might be necessary to revenues, excess (deficiency) of revenues over expenses and cash flows for the years ended May 31, 2024 and 2023, current assets as at May 31, 2024 and 2023, and fund balances as at June 1 and May 31 for both the 2024 and 2023 years. Our audit opinion on the financial statements for the year ended May 31, 2023 was modified accordingly because of the possible effects of these limitations of scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

STUDENTS' SOCIETY OF MCGILL UNIVERSITY
NOTES TO FINANCIAL STATEMENTS
MAY 31, 2024

1. Nature of the organization

The Students' Society of McGill University ("SSMU") incorporated the Student Center of McGill University on August 19, 1992 under part III of the Companies Act (Québec). On June 1, 2007, the Student Center of McGill University / Centre étudiant de l'Université McGill merged with Students' Society of McGill University / Association étudiante de l'Université McGill. As a result, SSMU was renamed Students' Society of McGill University / Association étudiante de l'Université McGill.

SSMU is a not-for-profit organization dedicated to providing various services to McGill students. The organization is exempt from income taxes.

2. Significant accounting policies

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the CPA Canada Handbook - Accounting and include the following accounting policies:

Use of estimates

The preparation of these financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. These estimates are reviewed periodically and adjustments are made to income as appropriate in the year they become known.

Fund accounting

The Operating Fund records unrestricted resources which are available for the general operations of SSMU. This fund also records restricted resources for activities for which no restricted fund has been established.

The Capital Expenditures Reserve Fund was established in 1985 for the purpose of defraying and recording the cost of certain significant capital expenditures. The capital of this fund is derived from transfers made from the Operating Fund as deemed necessary to ensure the maintenance of an appropriate capital asset base.

The Awards of Distinction Reserve Fund was established in 1990 for the purpose of generating revenue to provide for SSMU's awards of distinction.

The Health and Dental Plan Reserve Fund was established in 2007 to ensure steady health care costs for students. The surplus from the SSMU Health and Dental plan fees at the end of the fiscal year must be maintained in this fund.

2. Significant accounting policies (continued)

Fund accounting (continued)

The Student Life Fund was established in March 2010 for the purpose of enhancing student life on campus and to ensure that unused resources from other funds remain available for use in future years. The capital of the Student Life Fund is derived by unused resources from other sub or subsidiary funds, namely: Internal Fee Funded Funds, Fee Funded SSMU Services, Non-Fee Funded SSMU Services, Fee Funded Affiliated Student Associations and the Gerts Student Life Fund.

The University Centre Building Fund was established in October 2014 with the creation of the SSMU University Centre Building fee, in order to ensure any excess of funds from student fees are reserved and restricted for future lease payments.

Revenue recognition

The organization follows the deferral method of accounting for contributions and uses fund accounting.

Restricted contributions are recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue of the appropriate fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Student fees, university centre building operations, general administration, funding, programming activities and services revenues are recognized by SSMU once the service is provided and collection is reasonably assured.

Gerts Bar revenues are recognized by SSMU when the service or goods are provided and collection is reasonably assured.

Restricted net investment income is recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Restricted net investment income that must be added to the principal amount of resources held for endowment is recognized as a direct increase in net assets. Unrestricted net investment income is recognized as revenue when earned.

Deferred revenues include revenues received in advance for rentals, handbook advertising and sponsorship.

Cash and cash equivalents

The SSMU's policy is to present bank balances under cash and cash equivalents, including bank overdrafts when bank balances that fluctuate frequently from being positive to overdrawn, and term deposits with a maturity period of under three months from the date of acquisition.

STUDENTS' SOCIETY OF MCGILL UNIVERSITY

2. Significant accounting policies (continued)

Capital assets

Capital assets are accounted for at cost. Amortization is calculated on their respective estimated useful lives using the straight-line method at the following rates and over the following periods:

	<u>Rates and periods</u>
Building	40 years
Building improvements	10 years
Equipment	20%
Furniture and fixtures	20%
Computer equipment	20%
Computer software	50%

Impairment of long-lived assets

When a capital asset no longer contributes to an organization's ability to provide goods and services, or the future economic benefits or service potential of the capital asset is less than its carrying value, the excess of its net carrying amount over its fair value or replacement cost is recognized as an expense in the statement of operations. Any unamortized deferred contribution amount related to the capital asset is recognized in revenue in the statement of operations, provided that all restrictions have been complied with.

Financial instruments

Arm's length financial instruments are recorded at fair value at initial recognition.

Related party financial instruments quoted in an active market or those with observable inputs significant to the determination of fair value or derivative contracts are recorded at fair value at initial recognition. All other related party financial instruments are recorded at cost at initial recognition.

In subsequent periods, equities traded in an active market and derivatives are reported at fair value, with any change in fair value reported in income. All other financial instruments are reported at cost or amortized cost less impairment. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items measured at fair value and charged to the financial instrument for those measured at amortized cost.

Financial assets are tested for impairment when indicators of impairment exist. When a significant change in the expected timing or amount of the future cash flows of the financial asset is identified, the carrying amount of the financial asset is reduced and the amount of the write-down is recognized in the Statement of Operations. A previously recognized impairment loss may be reversed to the extent of the improvement, provided it is not greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously, and the amount of the reversal is recognized in the Statement of Operations.

11. Contingencies

In the prior year, a group of corporations and individuals instituted proceedings in the amount of \$971,000 plus interest and additional indemnity against SSMU. SSMU has contested this claim and intends to defend against it. The possible monetary outcome of this proceeding cannot be foreseen and such, no provision has been made in the financial statements.

Additionally in the prior year, a former executive instituted proceedings in the amount of \$700,500 plus interest and additional indemnity against SSMU. Subsequent to year-end, the SSMU reached a settlement agreement in the amount of \$90,000.

12. Commitments

The SSMU entered into a software licence and services agreement ending in March 2026. The installments over the next two years are the following:

	\$
2025	31,600
2026	26,333

13. Related party transactions

Included in General administration are administrative revenues received from SSMU Daycare Centre Inc., a daycare under control of SSMU by virtue of common board members, totalling \$6,000 (2023, \$6,000). These transactions were concluded in the normal course of business and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties. Receivables were measured at cost, determined using their undiscounted cash flows. No difference resulted from these transactions.

14. Financial instruments

Financial risks

SSMU is exposed to various risks through its financial instruments, without being exposed to concentrations of risk. The following analysis provides a measure of SSMU's risk exposure at the statement of financial position date of May 31, 2024. There have been no substantive changes in the company's exposure to financial instrument risks, its objectives, policies and processes for managing those risks or the methods used to measure them from previous periods unless otherwise stated in this note.

STUDENTS' SOCIETY OF MCGILL UNIVERSITY
NOTES TO FINANCIAL STATEMENTS

14. Financial instruments (continued)

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. SSMU is exposed to this risk mainly in respect of accounts payable, accrued liabilities, and long-term debt.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. SSMU is mainly exposed to interest rate risk and other price risk.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. SSMU is exposed to interest rate risk on its fixed-interest rate financial instruments. The fixed-rate investment certificates and long-term debt subject SSMU to a fair value risk.

Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instruments or its issuer, or factors affecting all similar financial instruments traded in the market. SSMU is exposed to other price risk through its investments in shares quoted in an active market.

15. Comparative figures

Certain figures for 2023 have been reclassified to conform to the presentation adopted in 2024.

16. Budgeted figures

All budgeted figures have been provided by management and have not been audited nor reviewed.
