LEGISLATIVE COUNCIL

- What's happening right now

Steering Committee

- As per usual - refer to Steering Committee Report

Advocacy & Representation

- Meetings with a variety of administrators and other McGill staff
 - Particularly regarding SHHS
 - Finally signed the MoA. Next in the Management Agreement, where we're about to get underway.
 - Once that is signed, that'll open us up to getting food options and a working Cafeteria in the UC

SENATE

- Meeting yesterday

BOARD OF GOVERNORS (BoG)

- Meeting on [February 6th](#)

CAMPUS RELATIONS

Deputy Provost, Student Life and Learning

- Meetings with Angela Campbell on a variety of topics related to the daily running of the society.
 - Management Agreement, as above, not much to add for the time being
 - Confirmation about Floor Fellows: They're never coming back
 - Looking at Residence Facilitators and having them take the place of Floor Fellows; however, they will be given training to account for the issues surrounding Floor Fellows
 - The easiest explanation for Floor Fellow removal was the culture and issues surrounding them. I'm not going to write any, but you can think about it just a bit about what Frosh Leaders get up to, so it's fairly straight forward as to why they're gone.
 - It's not money.

Dean of Student

- Organising meetings between the Dean of Students and other Faculty presidents.
 - These have occurred, and meetings are poorly attended—something to organise more fluently in the new year.

Leadership & Support

HUMAN RESOURCES

- Weekly Check-ins
- Biweekly Management Meeting
