- Weekly meetings going well, discussing upcoming events (below)

EVENTS/UPCOMING EVENTS:

- Valentines Day Ball:
 - Quick summary: Feb 6th, theme is 'enchanted garden', 8pm to 12am. Jazz band for the first hour or two, DJ for the last two hours.
 - Main event we are discussing. Delegated tasks including marketing, harm reduction service outreach, DJ/band selection, decorations, and so on. Planning going well, mainly just music confirmation left.
 - Weekly meetings mention any updates on the Valentines Day Ball.
- St Patricks Day:
 - Discussed a St Patricks Day event (all agreed to do, now in the works)
 - Not the scale of four-floors, but to redirect the traffic flow towards Gerts to make it more manageable.
 - Limited information right now, still in the planning stage.
- FACO committee:
 - Been put together with help from the Internal Logistics Coordinator (Vice-Chair of SSPN), collaborating less on this as it has a separate committee. Sienna recruited for FACO coordinator (through regular application and interview channels as well), so there is also internal insight.

- Separate instagram made for this
- SSMU Awards:
 - Going to be brought up this week to them (or already has). Completely revamping it, more of a 'grad ball'. Dinner for nominees, then party for the rest of the night.
 - Making it more fun, multiple options (external venue, themed?, awards?, entertainment and so on), but details TBC.

GENERAL ANNOUNCEMENTS
