

Clubs Committee Report

Submitted: November 20, 2025

Brief Summary:

This report summarizes all club application reviews, decisions, and follow-up requirements from the SSMU Clubs Committee meetings held between October 16 and November 13, 2025. Across these meetings, the committee reviewed multiple rounds of interim and full club applications, finalized several approvals, and deferred numerous files due to budget, mission clarity, or overlap concerns. A significant portion of committee discussion focused on financial sustainability, alignment with SSMU criteria, and potential duplication with existing clubs or services.

Clubs are numbered according to the order in which they were reviewed across all meetings, but grouped in this report based on their final status (approved, deferred, or not approved).
