

## McGill Environment Students' Society

Fall 2025 Report - November 20, 2025

### **Presidents:**

- Interviews held and hired for Mac and SSMU representatives
- U1 rep still in the hiring process

### **VP Academic:**

- Merging some of the domains for BSc. students due to low enrollment
- Removing a few of the domains for BA. students due to low enrollment

### **VP Comms:**

- Listservs have been sent out each week
- We have had successful weekly Instagram takeovers from various members of exec, and lots of event advertisement
- Working on next round of merch

### **VP Events:**

- Back to school ENVR BBQ in Jeanne Mance with a large turnout
- MESSy Mondays from 8 to 12 every Monday has been running smoothly, lots of free coffee and snacks for Bieler students
- Hosted midterm study sessions for our 200 level courses
- MESS partnered with Jam for Justice to carry out a Halloween apartment crawl on October 30th, we chose the proceeds to go to SNAP which is a Quebec based environmental protection non-profit
- Planning an ice cream social, annual winter gala, and BURA event focused on matching Bieler students with profs to access our undergraduate research awards
- Working to set up a mentorship program for first year students

### **VP Externals:**

- AUS and SUS externals attending meetings and strengthening ties to both organizations
- SSMU attended meetings and joined the SSMU Environment Committee which had its first meeting on the 12th
- ASUS meeting have been delayed due to organizational delays

### **VP Mac:**

- Planning an event at The Ceilidh, the student bar at Mac Campus

Respectfully submitted,

**Beatrix Stewart-Stand**

VP External to SSMU/Environment Representative
