**MUS Council Report**

Legislative Council of the Students' Society of McGill University  
Thursday January 15th, 2026

## **Executive Council**

### **President**

- Impacts of removal of athletics student fee.
- Meetings with faculty leadership regarding financial support for competitions and MUS operations.
- Shutting down of Dave's store due to large losses and limited use.
- Possible trial reopening during the Winter semester without paid staff.
- Creating Five-Year plans for all portfolios.
- Looking into restructuring of the Board of Directors to improve representativeness and accountability.

### **Internal**

- Reduction in total number of events compared to previous years (approx. 12.5%)
- Reduced administrative workload for and improved database usage
- Progress toward a long-term strategic (5-year) plan
- Overall internal operations running smoothly

### **Events**

- Hype Week went well overall.
- Multiple 4 à 7 events held throughout the semester.
- Carnival occurred from Jan 6-12.

### **Competitions**

- 10K in faculty funding secured for competitions.
- External funding applications and sponsorship outreach ongoing.
- Desautels Management Leadership Seminar: ~96% attendance rate and strong feedback.
- DMCC participation in JDC Challenge performed better than last time.
- BOLT secured sponsorships including EY.
- Planning alumni-focused competitions event to strengthen sponsorship pipeline

### **SEDI**

- Castco obtained gold event certification.
- Participation in university-wide SEDI initiatives.
- Development of Desautels Black Students Network.
- SEDI has applied for more funding.

### **Finance**

- Current bank balance is approximately \$30,000.
- Outstanding liabilities related to Frosh, Hype week, Beer purchases and Cancer event.
- Significant revenues generated from ticketed events such as hype week.
- On pace to have a surplus by the end of the year.

- Clubs responsible for execution of most large-scale events.

### **Communications**

- Website restructured with improved engagement tab and club pages.
- Launch of 'Week in Preview' social media initiative.
  - Shows all club events that are coming up over the next week, how to get involved.
- Increased newsletter open rates and positive feedback from more engaging titles.
- Merchandise ordered and distributed.

### **Academic**

- Promotion of anonymous academic complaints and feedback form.
- Section in the latest newsletter highlighting the form.

Respectfully submitted,

Jaxson Oelbaum and Paul Prendergast
