MSS Representative Council Report

Legislative Council of the Students' Society of McGill University

February 12th, 2026

Events

- CaRMS interviews ended on February 6th, 2026
- Fédération Médicale Étudiante du Québec (FMEQ) General Council, February 7th, 2026
- FMD Ball, December 11, 2025

President

- Advocating for a yearly wellness Day-off for clerkship students
- External representation at the FMEQ and CFMS conferences/GCs
- Led constitution changes at our Fall GA including new Global Health internal structure, new communications VP role, etc.

Executive VP & Corporate Affairs

- Helped fourth-year medical students coordinate Archer Conference dinners and finalize dates for remaining sponsor conferences
- Met with the dean regarding funding for the Annex revitalization project

VP Finance

- Reimbursed members of the medical cohort for various expenses pertaining to the budget

VP Social Affairs

- Planning the Internos event
- Organized multiple end-of-block events
- Helped organize the FMD Ball

VP Internal Affairs

- Minor update to internal regulations regarding probation guidelines
- Review of the selection process for new clubs
- Support FMEQ President application

VP Wellness

- Working with CPS Montreal to organize 2 to 3 full-day suicide prevention workshops for medical students (March to June this year)

- Collaborating on finalizing the content and partnering with OMLA for funding
- Committee operations are running smoothly; events are in progress for all year groups
- Helping promote the CFMS wellness challenge

VP Education

- Monthly meetings with the dean and the Student Education Committee, acting as a liaison between education leadership and students

VP External QC/Canada

- Attended CFMS training on anti-oppression
- Planning of winter semester events underway
- Planning the McGill delegation for the CMSC SGM; sending out the application form this week

VP Global Health (Qc and Can)

- Working on activities: Mosaic panel, equity training (date TBD), and EDI roundtable with guest speakers

Respectfully submitted,

Ling He
