## Issue

Following concerns about the language and hierarchy related to managing crises during events, the following updates to the Events Protocol are proposed.

## Background and Rationale

In previous iterations of the Events Protocol, the procedures related to responsibility and contact during emergencies or incidents of immediate concern were not clear and up to date. This version presents the procedures as mandated by the Board of Directors.

## Alignment with Mission

Further clarity on the structures of responsibility in managing crises during events and contacting Staff/Executives.

## Consultations Completed

Consultations with the Board of Directors, Internal Counsel & Corporate Secretary and Policy & Advocacy Coordinator.
